

CONWY FALLS BASE

The Go Below Conwy Falls Base

Our Conwy Falls Base is home to our main booking office and is also the starting point for our half-day Go Below Challenge Trips (not our full-day Xtreme Trips!).

The Conwy Falls is located on the main A5 trunk road, two miles south of Betws-y-coed. Please note that it is not practical to walk from Betws-y-coed.

There is a large free car park, public toilet facilities, and a cafe that is open all year round selling hot meals, drinks, packed lunches etc.

Please ensure that you arrive in good time for your trip.
